### Old Business

1. Feasibility Study – We are still waiting on an update on a Splash Pad design at Zimmer until we can move forward with the Feasibility Lite Study. She has noticed that Homecoming and other downtown Waterloo events are now being advertised for the end of summer/early fall, but we still haven't heard back from the city on our permit. Scott Davis let us know that the Oddfellows Hall will be available for us to use on September 18<sup>th</sup>.
3. Tax Filings – Celeste mailed in the corrected 501c3 filings to correct our tax filings from 2018 & 2019.
4. April Park District Meeting – Celeste and Kim attended the April Park District meeting, as well as incoming commissioner Gina Pfund. The park district still does not have a copy of the design plans from HMG, and they said they would share those with us once they receive.
