

Dear Sponsor:

We are **Waterloo Citizens for a Pool (WCP)**, a group of individuals with a passion for our community. WCP is a nonprofit community organization, dedicated to bettering our community for our families and especially our youth, through bringing a pool back to the city of Waterloo, Illinois. **WCP is hosting our EIGHTH annual St. Paddy's Day 5k, on Saturday, March 15<sup>th</sup>.** We are asking if you would be willing to donate either funds or prizes for this event. Monetary donations would go towards offsetting the cost of the run, including the shirts, supplies, marketing, and timing company. Examples of prizes would be promotional items, coupons, bags, water, gift certificates, or anything we can include in our prizes or as giveaways in the runner registration bags.

The walk/run will be held in downtown Waterloo, IL, beginning at 9 am. Last year we had more than **300 participants**, and we plan to increase that number again this year! There will be shirts for all pre-registered participants, medals, and various prizes given away throughout the morning. We are looking for sponsors to advertise their business on banners, signs, T-shirts, or in the registration bags. Listed below are the different donation levels. We hope to showcase our great community and the local businesses that support it.

WE APPRECIATE any monetary donations or prizes you can offer. We understand if you are unable to donate and do appreciate your time and support.

**Donation Levels:**

- \$ 50 – Your name or business will be listed inside the runner registration bags
- \$ 100 – Your name or business will be listed on our T-shirts & in registration bags
- \$ 250 – Sponsor a Hydration Station – everything listed above and a sign at your sponsored station;  
- This level will also include two race registrations
